

Chaminda Jayasekara

WordPress Designer

PROFILE

A web developer at Webpixel UK, also studies software engineering. With outstanding results in G.C.E O/L and G.C.E A/L, I've honed my leadership skills as a former head prefect and vice media president. My unwavering passion for technology drives me to explore and master WordPress, Wix web design, HTML, CSS, JavaScript, and various programming languages. As a versatile content creator, my YouTube channels cover gaming, technology, traditional crafting, and nature.
